

The JAECOO J7 SHS

OWN YOUR POWER

Freedom of Range

Meet the all-new JAECOO Super Hybrid System. With a combined range of 1 200km, the J7 SHS lets you explore where others turn back. It is created for those who seek to go further. Powered by pioneering plug-in hybrid innovation and engineered to meet every challenge.

Flawless by Design

With a bold silhouette and flowing lines, it moves with quiet confidence. Every curve is deliberate. Every detail, considered. Designed with precision and shaped by purpose, the J7 SHS carries elegance in every aspect.

Interior

Intelligent Innovation | Premium Comfort

Comfort redefined. Luxury perfected.

Timeless Comfort

Comfort, no matter the season.

From the warmth of Heated Front Seats and a Leather-Wrapped Steering Wheel on chilly mornings to the Cooling Ventilation that makes summer drives a breeze. Sink into refined leather seating, stretch out with a Rear-Centre Armrest, and pack freely with up to 1 265 L of luggage space. Wherever the road takes you, comfort follows.

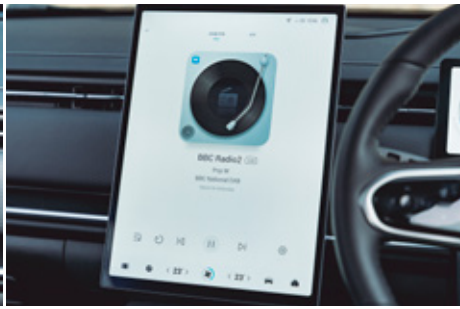

The all-new J7 SHS blends sophistication with everyday practicality – from its 540° HD Panoramic Camera that makes every move feel effortless, to a Wireless Charging Pad that keeps your world powered without the clutter. Inside, the cabin reflects a clean, reductive design philosophy, elevated by seamless Android Auto™ and Apple CarPlay® integration. It's technology that disappears into the experience – refined, intuitive, and always connected.

Athletic Grace | Charge Ahead

Get ready to experience assertive power with responsive sporting performance.

Need to go the distance? Enjoy a combined range of over 1 200 km on a single tank and a fully charged battery.

At the heart of the all-new J7 SHS lies a powerful pairing - a 1.5 TGDI Super Hybrid Engine integrated with an advanced Electric Motor, all working in harmony through a Dedicated Hybrid Transmission (DHT). With a high-capacity battery of 18.3 kWh, this intelligent drivetrain delivers the perfect balance of efficiency and exhilaration.

The JAECOO J7 SHS isn't just making an entrance—it's setting a new standard for what a premium SUV should be. With a formidable combined output of 255 kW and 525 Nm of torque, it delivers commanding performance with refined precision.

And it doesn't stop there, thanks to its advanced hybrid system, the all-new J7 SHS offers an exceptional combined fuel consumption of just 4.7 L/100 km and an impressive electric range of up to 90 km.
